

SPORTS ast™

What do you do when you need to reach your team because of:

- Cancelled Practice
- Weather Emergencies
- Team Member Injured
- Change in Game Location
- Registration Reminders

With SportsCast you can reach literally hundreds of parents, team members, and board members simultaneously within moments. SportsCast will provide members with the most advanced communication solution available for sports teams. SportsCast greatly improves the timeliness and quality of your communications and provides a convenient, accountable and affordable tool for more effectively communicating reminders and notices to teams.

SportsCast provides effective and timely communication that will improve the recruiting and retention of players, coaches, and staff.

SportsCast is a tremendous asset to sports by reducing the time and costs spent on mail outs and flyers. SportsCast ensures your message is delivered to your members at exactly the right time!

SportsCast allows you to reach everyone within your team via

- Cell Phone
- PDA
- Standard Land line Phone
- E-mail
